ERA

THE
EQUAL RIGHTS AMENDMENT
NEEDS YOU!

**What It Would
Mean:**

We've come a long way since the
Constitution was written. To better
fulfill its Democratic Vision,
Amendments have been added that:

- Forbid discrimination based on race,
- Extend voting rights to all
races and to women,
- Reduce the voting age to 18.
- The E.R.A. will FORBID
discrimination based on sex.

Let's Finish the Job!

The U.S.
Constitution
is based on the
IDEAL of EQUALITY.

**the
Actual
Language:**

"Equality of rights
under the law
shall not be
denied or abridged
by the
United States or by
any state
on account of sex."
